

# CONCENTRATION COURSE SELECTION FORM

Name: \_\_\_\_\_ Access ID.: \_\_\_\_\_

Year Graduating: \_\_\_\_\_

Concentration: \_\_\_\_\_

**Instructions:** Please list your planned 12 credits of **Concentration Electives** below, including the semester that you are hoping to take the course. **You must have 2 courses under the specific concentration selected.** You must also choose two **Intro to Concentration** courses (**BME 4210, 4310, 4410**). You must complete 45 Engineering credits by graduation. All students must include at least nine credits of Engineering coursework in their concentration course selections. Please consult with the Undergraduate Program Chair if you have any questions.

Course Number	Course Name	Credits	Planned Semester	Eng.
				<input type="checkbox"/>
				<input type="checkbox"/>
				<input type="checkbox"/>
				<input type="checkbox"/>
				<input type="checkbox"/>

Please list only 12 credits of Concentration Electives above NOT the Intro to Concentration Courses. **Two of the above courses must be in the chosen concentration.**

First Intro to Concentration Course (BME 4210, 4310, or 4410):

\_\_\_\_\_

Second Intro to Concentration course (BME 4210, 4310, or 4410):

\_\_\_\_\_

Undergraduate Program Chair Approval / Date: \_\_\_\_\_

Total Engineering Credits ( $\geq 45$ ): \_\_\_\_\_
