Note: Prerequisites present material which is considered to be foundational to the subsequent courses, and therefore it is not recommended that students take courses out of sequence. If permission is granted in a special circumstance, please do your best to ensure that you are taking steps to be successful in this course, and see your professor or academic advisor at the first sign of academic distress.

This form does not replace a class! IF the mentioned prerequisite is also on your plan of study, you still must take it before degree certification.
